

Kashmir Solidarity Day,
14th April 2018.

Yesterday JSMU Student Council came up with the Kashmir Solidarity Day in their University Campus. The event started 1pm sharp. It was a little initiative of JSMU to show their solidarity with the land that has remained separated from us since ages. The programme was attended by the Vice Chancellor Prof. Dr. Tariq Rafi despite of a busy schedule. The programme was also attended by the Pro-VC, Chairperson Student Council Dr. Ghazala and Director PR, Miss Asfiya Aziz. The arrangements were made by students, real feel of Kashmir was given to stage like the sailing boat of Kashmir 'Shikara' and the hot pot of Kashmir, 'Kangri' were made specially by the students of JSMU. The programme involved poems speeches solidarity songs. Not only the solidarity was shown but also the ways to solve this conflict were raised. Students of the university were so much interested in it that they came up with models of Kashmiri culture and self-written poems of students were read. This programme not only showed sympathy of Pakistan with Kashmiris but also created awareness about this issue. So that the next generation will come forward to connect that land back to us.
