

4th RESEARCH TRAINING ELECTIVES – April'18

JSMU Research Society works under the banner of **JSMU Student Council** and has been arranging research electives for undergrads for a couple of years. Following the ritual, this year *JSMU Research Society* in collaboration with **APPNA Institute of Public Health** has arranged the 4TH

RESEARCH TRAINING ELECTIVES from 09th April to 23rd April, 2018.

FACILITATORS:

This course is directed by **Dr.Lubna Baig** (Dean of APP NA Institute of Public Health) and co-ordinated by *Dr. Rabbia Baloch*. Facilitators of 4th Research Electives are *Dr. Sana Tanzil, Mrs.Mahjabeen Musharaf, Dr.Zaeema Ahmer, Ms.Naushaba Khatoon, Dr Mehak Pervaiz and Dr.Meha Fatima*.

OBJECTIVE:

The research elective aims to improve the research skills and competence amongst students by strengthening their theoretical knowledge as well as by giving them the Hands-on training with data entry and analysis using SPSS, and development of a research protocol etc.

POST ELECTIVE DISCUSSION SESSIONS:

The session will be followed by post elective discussion sessions- between researchers and their supervisors that wo

uld help them in completion of their respective research proposals generated during the electives.

CLOSING CEREMONY:

The closing ceremony of this entire training session is organized on **23rd April** at **AIPH**. It will be a presentation session in which students will present their research proposals to our honorable judges including:

Dr. Ghazala Usman (*Chairperson JSMU Student Council*)

Dr. Lubna Habib (*Dean of APPNA Institute of Public Health*)
