

ENT Conference showcases latest surgery techniques

International conference on ENT titled 'The 3rd Rhinocon 2020' started at a local hotel today.

Around 400 doctors from around the country attended the first day of the conference. Dr Amin Javer from Canada and Dr Hussam from Egypt are among the distinguished speakers at the conference. Chief organizer and Vice Chancellor Jinnah Sindh Medical University Professor Tariq Rafi shared that the workshops at the conference included hands on training in endoscopic surgery which is the latest technique to have modernized head and neck surgery worldwide.

The Conference hosted by Society of Rhinology and Endoscopic Skull Base Surgery, will include two memorial lectures for Professor Heinz Stemmerger and Professor Mehmood Raza. Six state-of-the-art lectures are also part of the conference.
