SMU STUDENT COUNCIL proudly presents a career guidance session on **"Professional and Linguistic Assessments Board test, or the PLAB test - Medical License Exam for UK"**.

We invite you all to attend this one-time special session on 7th December 2019.

We are proud to announce this session will be presented by former smcians who have gone through PLAB after graduation and have successfully attained their license to work in the UNITED KINGDOM.

This is a great opportunity to learn how to proceed with OET/IELTS, and then PLAB 1 & 2. A practical timeline will be depicted and all the steps will be explained thoroughly.

We recommend final year graduates of Batch 2020 to attend this session as our honorable presenters will be providing a step by step guide with a Q/A session at the end. All your confusions and queries will be tackled in this two-hour session.

Who should attend this session:

- 1- All those who will be giving PLAB in a year or two must attend this session.
- 2- Those who are in the process of applying for OET, PLAB-1 or 2.
