

Student council PSS Endynamo 5.0 activities

Declamation Competition Endynamo 5.0 organized by the JSMU Public Speaking Society held on 20th February 2020 was one of the most successful events of the year.

A lot of students from all over the university participated, entertaining the crowd, and bringing undeniably tough competition. Whilst Imaad and Amna hosted the event, incredibly talented judges like Noor Us Sabah Tauqeer, Sana zehra, Mahjabeen Saleem, and Umme farwa judged the performances.
